

The Lexus GX balances incredible performance and four-wheel-drive capabilities with Lexus luxury and refinement. Continuing this legacy, the 2020 Lexus GX enhances the line's renowned style, comfort and convenience even further with a range of updates.

2020 GX 460: WHAT'S NEW

PERFORMANCE

- Multi-Terrain Select adds Rock & Dirt to available modes (five total)
- Multi-Terrain Select with A-TRAC can now be activated when Crawl Control is on

EXTERIOR

- Updated Lexus signature grille with three-dimensional, block-shape, mesh pattern (similar to UX and RX)
- Updated ultra-compact, triple-beam LED headlamps
- Solid illumination daytime running lights (DRL)
- Grille frame and rear license plate garnish have been changed to satin plating
- Side door molding has been removed
- Updated 18-inch and new available 19-inch wheel designs
- Atomic Silver (1J7) replaces Silver Lining Metallic (1J4)

INTERIOR

- Updated three-spoke steering wheel
- Updated shift knob and shift boot
- Multi-information display (MID) changed from monochrome to color display
- Two 2.1-amp USB ports added to rear of center console for second-row passengers
- Gray Sapele Wood with Aluminum trim now available on Premium and Luxury grades
- Rioja Red interior color now available
- Smooth leather interiors discontinued

SAFETY AND SECURITY

- Lexus Safety System+ (LSS+) now standard:
 - Pre-Collision System (PCS): Forward Collision Warning (FCW), Automatic Emergency Braking, Pedestrian Detection System
 - High-Speed Dynamic Radar Cruise Control (DRCC)
 - Lane Departure Alert (LDA)
 - Intelligent High Beams

PACKAGES AND OPTIONS

- New Off-Road Package:
 - Transmission oil cooler
 - Fuel tank protector
 - Multi-Terrain Monitor and Panoramic View Monitor with driver- and passenger-side cameras
 - Crawl Control
 - Multi-Terrain Select
- Premium Package now includes Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- Luxury models now come standard with 19-inch wheels

EXTERIOR

One of the few, true body-on-frame SUVs, the GX gives Guests a commanding view of the road with its elevated seating position. The boldly updated Lexus signature grille, new triple-beam LED headlamps, updated 18-inch and low-profile roof rack make the GX a solid off-road workhorse with Lexus-level refinement. An available Sport Design Package puts an extra touch on the luxury SUV with special details, such as an exclusive lower grille surround, rear valence, side mirrors, matte black exhaust tip, scarlet taillamps and 19-inch alloy wheels with a Metallic finish.

INTERIOR

The GX interior is a *takumi*-crafted space that delivers generous room for both passengers and cargo. An updated steering wheel, shifter and new color multi-information display (MID) provide a feeling of confident control. Features like available semi-aniline leather seating, real mahogany wood trim, and the option for six- or seven-passenger seating further highlight the vehicle's standout comfort and luxury.

SAFETY AND SECURITY

With the Lexus Safety System+ (LSS+) joining the standard equipment list, the GX offers a broad range of helpful driver assist features, including the Pre-Collision System (PCS) with Pedestrian Detection, Lane Departure Alert, High-Speed Dynamic Radar Cruise Control (DRCC) and Intelligent High Beams. Plus, the GX protects Guests on and off road with 10 standard airbags—including side curtain airbags that cover all three rows—and full-time four-wheel drive with active traction control.

TOTAL CONNECTIVITY

Entertainment in the GX begins with a standard 8.0-inch Lexus Multimedia System with intuitive touchscreen display and then becomes enhanced with the Lexus Enform suite of connected technologies that comes with the available Navigation Package. For Guests who want the greatest music experience possible, the available 17-speaker, 330-watt Mark Levinson® Premium Surround Sound audio system immerses the cabin in multidimensional sound that you can feel. A pair of new 2.1-amp USB ports provide connectivity for rear-seat passengers.

COMFORT AND CONVENIENCE

The GX offers next-level comfort no matter where you sit, with features like available heated and ventilated front-row seats, heated second-row seats, power-folding third-row seats and multi-zone climate control.

KEY SPECIFICATIONS

	GX 460
Engine	4.6-liter V8
Horsepower (@ rpm)	301 @ 5,500
Torque (lb-ft @ rpm)	329 @ 3,500
Transmission	6-speed automatic
Drivetrain	Full-time 4-wheel drive with locking TORSEN® center differential
Fuel Economy—City/Highway/Combined (mpg)	15/18/16
Towing Capacity (lb)	6,500
Trailer Sway Control	Standard
Price Range	\$53,000–70,985

PERFORMANCE

The 4.6-liter V8 engine in the GX delivers an impressive 301 horsepower, while the Variable Valve Timing with intelligence paired with a six-speed sequential-shift automatic Electronically Controlled Transmission with intelligence (ECT-i) helps to improve low-speed torque and high-speed horsepower. With 329 lb-ft of torque at low rpm and standard Trailer Sway Control as part of the Vehicle Stability Control (VSC) system, drivers can rest easy as the GX confidently tows up to 6,500 pounds.
