

With its distinctively aggressive design coupled with responsive power and excellent fuel economy, the NX is truly the perfect balance of fun, sporty driving dynamics and everyday utility. For 2020, the NX features color updates and its standard equipment list now includes a power tilt-and-telescopic steering column and Lexus Safety System+ 2.0 (LSS+ 2.0).

## 2020 NX 300: WHAT'S NEW

### EXTERIOR

- Cadmium Orange (4Y1) now available
- Autumn Shimmer (4X2) and Silver Lining Metallic (1J4) discontinued

### PACKAGES AND OPTIONS

- New model codes for NX vehicles equipped with Luxury Package:
  - 9821 (FWD)
  - 9825 (AWD)
- Mark Levinson® Surround Sound Audio System (NL) now available

### INTERIOR

- Power tilt-and-telescoping steering column now standard
- Color scheme updated for Rioja Red interior
- White NuLuxe® (05) interior color for F SPORT models now available

### SAFETY AND SECURITY

- Lexus Safety System+ 2.0 (LSS+ 2.0) now standard on NX:
  - Pre-Collision System with Daytime and low-light pedestrian detection and daytime bicyclist detection
  - All-Speed Dynamic Radar Cruise Control
  - Lane Trace Assist (LTA)
  - Road Sign Assist (RSA)
  - Intelligent High Beams
- New Active Cornering Assist (ACA)

### EXTERIOR

The Lexus NX 300, F SPORT and NX 300h cleanly break from the styling ranks of conventional compact luxury crossover SUVs. Leading with its aggressive Lexus signature grille and finishing with a distinctive angular rear design, the NX lineup is crafted to energize the senses.

### INTERIOR

Inside, the NX's precise needlework contrasts with sleek satin-metallic finishes. Features like its racing-inspired steering wheel, driver-centered control layout and generous front legroom perfectly tailor the NX to the driver.

### KEY SPECIFICATIONS

	2020 NX	2020 NX F SPORT	2020 NX 300h
Engine	Turbocharged 2.0-liter in-line 4-cylinder engine	Turbocharged 2.0-liter in-line 4-cylinder engine	2.5-liter in-line 4-cylinder engine
Horsepower (@ rpm)	235 @ 4,800	235 @ 4,800	194 (total system)
Torque (lb-ft @ rpm)	258 @ 1,650	258 @ 1,650	Not Applicable
Fuel Economy—City/Highway/Combined (mpg)	22/28/25 (FWD); 22/28/24 (AWD)	22/28/25 (FWD); 22/28/24 (AWD)	33/30/31
Cargo Capacity - Rear Seat Up (cu ft)	17.7	17.7	16.8
Price Range	\$36,870-50,115	\$39,110-53,145	\$39,420-51,725

### INNOVATIVE UTILITY

The roomy rear seat has reclining seatbacks and a fold-down center armrest with integrated cupholders. The 60/40-split folding rear seatbacks make it easy to mix passengers and cargo for everyday versatility and the available Power Rear Door with Kick Sensor provides easy access even when your hands are full.

### PERFORMANCE

The NX's turbocharged 2.0-liter four-cylinder engine has the power and torque of a much larger engine, while providing remarkable fuel efficiency. The NX 300h Hybrid delivers 33 mpg in the city, coupled with instantaneous acceleration and passing power.

**TOTAL CONNECTIVITY**

Leading technologies, including Lexus Enform App Suite 2.0, Apple CarPlay® and Lexus+Alexa, put you in touch and in control via an available 10.3-inch display and the power of your voice. New for 2020, experience an immersive audio soundstage created by the available 14-speaker Mark Levinson® Premium Audio System.

**SAFETY AND SECURITY**

The NX 300 offers a full suite of the latest in advanced safety features as standard equipment, including the newly upgraded Lexus Safety System+ 2.0 with daytime and low-light Pedestrian Detection, daytime bicyclist detection, Lane Trace Assist and Road Sign Assist. The available Panoramic View Monitor and Intuitive Parking Assist with Automatic Braking help when maneuvering in tight spaces. The NX surrounds passengers with an impressive array of eight standard airbags.

**NX F SPORT**

F SPORT spikes your adrenaline with sport-tuned suspension, available Adaptive Variable Suspension (AVS), an energized exterior look and a driver-focused interior.

**F SPORT FEATURES**
